PERFORMANCE. TRAINING. OUTREACH. LEGACY.

The Hand is Quicker Than the Eye!

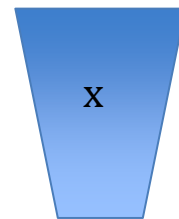

The video is presented by Karen Bell and Rikki Heddig-Rolfe Meaux. Participants can make the magic tricks along with Karen and Rikki. The video is designed for participants to watch as Rikki learns the magic trick and then follow the prompts as participants actually try the magic trick for themselves.

Participants will learn how to perform three magic tricks:

Levitating Cup

Supplies: paper cup (5 inch tall or so)

Preparation: Each cup needs an X cut into it about $\frac{1}{2}$ way up.
The x should be one inch across.

Tear and Restore Kleenex

Supplies: 2 Kleenex per participant

Color Changing Stick

Supplies: craft stick/markers or crayons
